Naylor, Managing Director, The Mysore Canning and Condiment Factory Bangalore for the purpose of fruit cultivation. 1) The land offered as security for the loan are stated to be worth several times of the loan applied for. The loan applied for is Rs 3000/-. According to the rules annexed to G.O. No D 6157-70 of Agl 178-26-5 dated the 12th Dec 1927 the application ought to have been forwarded through the Board of Agriculture. From the records it is seen that the D.D.O. Expresses a doubt whether there is sufficient amount available for the grant of the loan. The D.C. also has not definitely stated that there is sufficient money with him for the grant of the loan. The application may perhaps be sent to the Board of Agriculture for opinion in the first instance. A draft letter is subd for Consideration Sd 8/5 2) For formal Orders issue 1/5/31 1.5.31 Gen. The question as to who should distribute the grants arose in 1928 and it was decided that Govt was the proper authority to do it and directed that Govt sanction be obtained for the distribution

Accordingly the Revenue Conr forwards proposals for the distribution of grants for 1930-31 as detailed in the margin which was approved by Govt

No recommendation has yet been received from the Revenue Conr for distributing the grants for 1931-32 —

44) A loan of Rs 2,000/- may be sanctioned. It is not possible to give a larger amount as the allotment for the District does not permit it.

45) All the lands of the Company should form the security for the loan. It is stated that the Khate of the lands is in the name of Mr. D. G. C. Naylor. In the statement of particulars furnished by Mr. Naylor, it is, however, stated that the title-deed of the lands "is registered in the name of the Mysore Canning and Condiment Factory, Ltd., at the Sub-Registrar's Office, at the Bangalore City". That all the lands belong to the Company and that the Company has the right to mortgage them, are points which should be clearly verified before the loan amount is disbursed.

SIR,

Subject:—Application of Mr. D.G.C. Naylor, Managing Director, Mysore Canning and Condiment Factory, Bangalore, for the grant of a loan of Rs.3000/- three thousand, for fruit cultivation. ----

I have the honour to forward herewith, the entire file of records ending with the Dodballapur Sub Division Officer's memo No.B1-343/30-31 dated 16-3-1931 re. the above and to state that the loan applied for is required for fruit cultivation in the south-western portion of Survey Number 52 which is in the Company's entire holding at Kodati village, Bangalore Taluk. The lands offerred as security for the loan are noted in the margin. The total extent of both the lands is 180 acres and 33 guntas assessed at Rs.235/8/- and the Khate thereof stands in the name of Mr. D.G.C. Naylor. It is seen from the encumbrance certificates furnished by the Sub Registrar of Bangalore taluk that 2 acres and 4 guntas out of S.No.65 of Kodati village have been mortgaged to the second co-operative Society, Vartur, on 18th August 1930 and that the remaining S.Nos. are unencumbered.

S.Nos. of Kodati village, Bangalore Taluk
46, 47, 50, 51, 52, 53, 54, 62, 63, 64, 65, 68.

11. The site of the garden proposed to be planted and improved has been inspected by the Director of Horticulture in Mysore and his letter No.1709 dated 23-1-1931 recommending the grant of the loan is enclosed in the records. He states that the soil of the said land bearing S.No.52 is suitable for the cultivation of apples that there is some water in the old well which has fallen in and

p.t.o.

that the items of works proposed to be carried out with the help of the loan are well thought out. He further states that the additional security given consists of the whole of the adjacent property belonging to the Mysore Canning and Condiment Factory and is worth several times the loan prayed for.

111. In regard to the other improvements to be effected, the Executive Engineer, Bangalore Division, was consulted. He states that the well and the machinery are necessary for the irrigation of the orchard and the amount of the loan applied for is not excessive. An estimate showing the probable cost of sinking the well in the said land is also enclosed in the records.

1V. The sufficiency of the Security has been investigated by the Sub Division Officer, Bangalore Sub Division, on 29-9-1930. It is seen from his report No.B1-343/30-31 dated 27-9-1930 that the lands offerred as security are at least worth Rs.15000/-.

In these circumstances, I recommend that a loan of Rs.3000/- three thousand applied for fruit cultivation may kindly be sanctioned to the said Company and the necessary allotment given.

I have the honour to be,

Sir,

Your most obedient servant,

For Deputy Commissioner,

Subject:— Application of Mr. D. G. C. Naylor, Managing Director, Mysore Canning and Condiment Factory Ltd., Bangalore for the grant of a loan of Rs 3000/- for fruit cultivation.

16/6/31 16/6

With reference to your letter No.E.1881/G.G. 87-30-3 dated the 26th May 1931 calling for additional information on the above subject I have the honor to state that the Company is a limited liability Company registered in the Mysore State, that the application is made in the proper form so as to bind the Company and that I have examined the last balance sheet of the Company as on the 30th September 1929 a printed and duly certified copy of which is also enclosed herein for reference. The Company has also passed a resolution on 26-7-1930 that Mr. D. G. C. Naylor, the Company's Managing Director should apply to the Government of Mysore, through the proper channel for a loan of Rs 3000/- under the fruit Culture Scheme and execute all necessary documents connected therewith on behalf of the Company and also furnished the necessary details for which the loan is required.

It is also stated by Mr. Naylor that the loan to be granted in this case will be utilised for Fruit Culture Scheme and not for any petty purpose. In these circumstances I request that the loan applied for may be kindly sanctioned at a very early date as the Company in question is more an Agricultural Company. In view of the present condition of agricultural prices and the general shortage of money, the request for assistance deserves to be favourably considered. The two letters dated 26-5-1931 and 8-6-1931 received

from Mr. Naylor together with the connected records received from the Secretary, Board of Agriculture with his letter No.884 dated the 28th May 1931 are herewith forwarded for reference.
